CITY OF LONG BEACH

CITY COUNCIL
AGENDA BILL
AB 12-41

Meeting Date: July 16, 2012

AGENDA ITEM INFORMATION		
SUBJECT: Case No. SUP 2012-03 Special Use Permit for a Cat Rescue and Boarding Facility in the RC Zone		***Originator:***
	Mayor	
	City Council	
	City Administrator	
	City Attorney	
	City Clerk	
	City Engineer	
	Community Development Director	**GB**
	Finance Director	
	Fire Chief	
	Police Chief	
	Streets/Parks/Drainage Supervisor	
COST:	**Water/Wastewater Supervisor**	
	Other:	

SUMMARY STATEMENT: The potential new owner of property at 117 9th Street NE would like to operate a cat rescue and boarding facility at that location. While pet washing and daycare have been considered "services" under the City's code, non-canine "pet rescue" and "pet boarding" are not land uses identified in the Long Beach City code. While the use is compatible with surrounding uses, because it is not in the code staff would like Council to issue a Special Use Permit with conditions for its operation until such time the use can be formally included in the code. Following is the relevant code section regarding SUPs, emphasis is by staff.

12-11-14: SPECIAL USE PERMIT: ***For*** events, ***uses***, and other activities ***not specifically addressed by this title, an applicant may apply to the city council for a special use permit.*** The issuance of a special use permit is at the discretion of the city council. The city council may impose such conditions as are deemed necessary to mitigate impacts including, but not limited to, noise, lighting, traffic and hours of operation. A special use permit shall not be used to permanently permit a use that would otherwise be prohibited by the zone district in which the property is situated. A special use permit shall have an expiration date that is no more than one (1) year after the approval date. Upon application, the city council may grant a single extension of a special use permit.]

RECOMMENDED ACTION: Conditionally grant SUP 2012-03 and request staff include addition of "pet rescue" and "pet boarding" to the City's zoning regulations.

RCW 39.33.010
Sale, exchange, transfer, lease of public property authorized — Section deemed alternative.

(1) The state or any municipality or any political subdivision thereof, may sell, transfer, exchange, lease or otherwise dispose of any property, real or personal, or property rights, including but not limited to the title to real property, to the state or any municipality or any political subdivision thereof, or the federal government, or a federally recognized Indian tribe, on such terms and conditions as may be mutually agreed upon by the proper authorities of the state and/or the subdivisions concerned. In addition, the state, or any municipality or any political subdivision thereof, may sell, transfer, exchange, lease, or otherwise dispose of personal property, except weapons, to a foreign entity.

(2) This section shall be deemed to provide an alternative method for the doing of the things authorized herein, and shall not be construed as imposing any additional condition upon the exercise of any other powers vested in the state, municipalities or political subdivisions.

(3) No intergovernmental transfer, lease, or other disposition of property made pursuant to any other provision of law prior to May 23, 1972, shall be construed to be invalid solely because the parties thereto did not comply with the procedures of this section.

Re: Outstanding Wastewater Treatment Plant Award for the City of Long Beach Wastewater Treatment Plant

Dear Mayor Andrew:

The Department of Ecology's Southwest Regional Office is honored to extend our congratulations and appreciation to the City of Long Beach Wastewater Treatment Plant for its excellent performance throughout 2011.

We recognize the effort and attention to detail that is required to consistently and reliably treat wastewater to a high level of quality. Plant operators must conduct thousands of process monitoring tests throughout the year to keep the process on track and operating at peak performance. Complying with all the conditions of the waste discharge permit, as well as not exceeding any effluent limitations, requires the dedication of operators, maintenance staff, engineering staff, administrative support and management. We are grateful for your dedication to protect the waters of the Pacific Northwest—a great natural and recreational resource.

Please present the enclosed plaque to the operating staff of the treatment plant. We look forward to your continuing excellence in the coming years.

Thank you and congratulations.

Sincerely,

Robert W. Bergquist, LEED© AP

On June 15th and 16th Sergeant Kevin Martin and I attended training in Long Beach. The title of the class was "Mental Health First Aid". The class dealt with techniques for dealing with persons suffering from mental disorders, especially with deescalating stressful situations involving mentally ill subjects.

On June 16th the Doggy Olympics were held. We had no issues associated with the event.

On the 19th I met with representatives of the Pacific County Health Department and Well Spring Community Network. We met to discuss a grant that Well Springs has received for approx. $150,000 to deal with underage drinking. Some of the grant money will go to pay for overtime to do compliance checks at stores to make sure they aren't selling to underage customers and to do emphasis patrols for MIP parties. We met to discuss implementation of the grant which starts this fall.

The Beach Run was held on the 23rd. I had an officer on the beach during the event and there were no issues to report and the weather even cooperated.

On June 28th I received a thank you note from a participant in the training that Kevin and I attended on the 15th and 16th. In the class were a number of visitors to our area and we gave them different suggestions on places to eat. Evidently they were grateful for the help. A copy of the letter is attached.

Re: Report of Activity

Visitor Feedback

"I had a great time last year, I am planning this years trip. Great web site."

"I love using your site when planning my trip to longbeach...I love keeping updated with new hotels, and places to see before I visit"

"Having everything organized in one place with make is so much easier for me to plan this trip...Thank you!!"

Key Observations and Highlights

- We had **81,237 visits to funbeach.com last month**. This is slightly down compared to 2011; we're seeing a small dip in unique visitors, home page visitors and number of visits. We expected this trend due to increased interaction on Facebook and festival/event sites, activity which used to take place on the site and via email. 6, people are spending more time on the site, visiting more pages during their visit, which is a positive indicator for conversion.

- Those visits generated **46,021 referrals to member businesses**, an outstanding conversion rate.

- **Minor tweaks** throughout the month, mostly additions/changes to community and main events calendars.

- **Ongoing posting to the blog/home page.** We've gotten some nice press this month!

- Continued behind-the-scenes work on schedule for our **summer development** season. You'll see these changes roll out in late August.

- With Andi, sent out **broadcast email**, which have been well-received, based on click-through and bounce rates. Our list is now just about scrubbed and we have roughly 10,000 solid addresses on the list. The July e-blast was opened by 23% of subscribers with fewer than half of one percent opting out. As a point of reference, industry pros say a good open rate is 3 to 5%. The main factors affecting open rate are:
  i) The quality of the list.
  ii) The Open Rate.
  iii) The actual message.
  iv) The Click Through Rate.
  v) The landing page conversion.

- Analyzed **search engine** and directory standings, **referrers, key words** and phrases. There is quite a bit of change in this arena and we're altering strategies in a big way. We're all but abandoning key words and phrases now that it seems Google really has moved their importance waaaay down the scoring list. More on this in upcoming reports; most importantly, we've retained our rank to date and our goal is to ensure that continues.

- **Analyzed site statistics**. You can access stats online any time you wish! Come to the web committee to learn more, or email woof@beachdog.com, for login credentials to access the reports online.

- **Web & Membership Committees** have merged and are next scheduled for **Tuesday, July 17, 2012, 2-3:30 @ beachdog.com**. The group is now permanently placed on the calendar for the **THIRD TUESDAY**. Note that meeting venue is subject to change based on how many we expect to attend; please email or phone 360-642-4431 if you plan to attend. We encourage attendance; our creed, 'Decisions are made by those who show up', means it is important that we have broad participation. All LBPVB members are eligible to participate.
- Engaged in **Meetings** via phone, email, and face to face, with LBPVB staff as requested.
- Monitored **visitor email** and responded as requested/appropriate.
- **Funbeach.COM Advertising Options:** funbeach.org/blog/publications/funbeachcom-advertising/
- **Funbeach.COM Coupons** can now be submitted online! Submit at any time; there's no charge! All the info you need, and the submission form: funbeach.org/blog/funbeachcom-advertising-options/coupons/

Informational Items	Nancy Gorshe introduced Connie Kobes from Friends of Chinook School and Terry Finklein, interim CEO of Ocean Beach Hospital. Terry Finklein gave a presentation on what Ocean Beach Hospital is doing to make itself financially stable and a viable resource to our community. He said the hospital had laid off 20% of the hospital's work force which included 30% of the management team. He is doing a weekly article for the "Chinook Observer" to keep the community apprised of the Hospital's activities. They are focusing on the emergency room, urgent care and primary care. He stressed that collaboration at the local level is key. Mike Litawa said board president Sue Madsen had resigned effective June 7. He introduced Ginger Bish as a new board member representing the Ocean Park Chamber of Commerce. Connie Kobes from the Friends of Chinook School gave a short presentation on the Chinook Gymnasium and Chinook School. The name of the governing organization will be changed from "Friends of Chinook School" to "Chinook School Event Center" to more accurately reflect the types of activities which can take place in the former gymnasium. It will be three to four years before the Chinook School building is completed. They have funding for a new roof. The school, when completed, might become a Chinook Nation Museum. It is presently being used for the Chinook Food Bank. The Port of Chinook owns the building. It has a maximum capacity of 299 people.	

Agenda Item	Notes	Responsible Person if Follow-up Needed
	Andi Day gave the Director's Report. • The Long Beach Peninsula Visitors Bureau had 1709 visitors in May, the highest count since 2005. • Andi reported on the Annual Meeting held in May and meetings she attended • The VB sent out a broadcast email about upcoming events to over 10,600 people • Her weekly "What's up Wednesday" email has been well received • Directions for the VB 2013 printed materials were shared based on recommendations of creative panel • An email survey has been sent to all members regarding the 2013 BVP • A photo of kites on our beach is on the cover of "Washington Magazine's" Summer 2012 edition. The photo was pulled from our Press Room on funbeach.com • The Weather Channel picked up the Doggie Olympics Susie Goldstein spoke about the styrofoam which had washed up on the beach and about the activities being undertaken to remove it. The B&B lodging establishments were asking guests to help with the clean-up. It was thought the Japanese Tsunami debris could attract tourists to the Peninsula. Ethan Seifert of beachdog.com reported on "featured listings" statistics. Restaurants had 100% more traffic when they were a featured listing. Nancy Gorshe spoke about the upcoming fundraiser for Jimella	

Agenda Item	Notes	Responsible Person if Follow-up Needed
	Lucas entitled "the Jimella Lucas Fundraiser Without Walls." Participating restaurants include The Depot Restaurant, Pelicano, Shelburne Restaurant and Pub, 42nd Street Café, Scapece Restaurant and Bar Aperitivo and the Imperial Schooner. Donations can also be made to the "Jimella Community Fund." Ginger Bish spoke about the upcoming Garlic Festival. Gene Mlles said the City of Long Beach was working on a new logo for the City; are making every effort to use fireworks containing no plastic; and are paying for a dumpster near the Bolstad Beach Approach for use in collecting Tsunami debris.	
Adjournment	The meeting ended at 1:40 pm.
