Description	While locking the bathrooms I was contacted by several high school juveniles reporting that their friend Matt Warner fell while they were running up the boardwalk stairs and split his lip open. Found Warner and Principal Tobin as this was a school sponsored event (the bon fire) near Bolstad. Called Medix. It took them so long to arrive, Long Beach Responders arrived and looked at Matt and finally Matthew's mother Stacey Warner arrived, looked at him and they decided to leave before Medix arrived. Told them they could disregard.
