Re: THANKS

Dear Staff:

On a recent visit to your community I lost my wallet while at Pacific Pines state park, ID bank cards, and money. While back tracking to look for it everyone we spoke to was extremely helpful and concerned, the University class at the beach, the helpful folks at the car wash, the state police and Irvine at the Cedars Ocean View Inn for looking up all the numbers needed to cancel my credit cards.

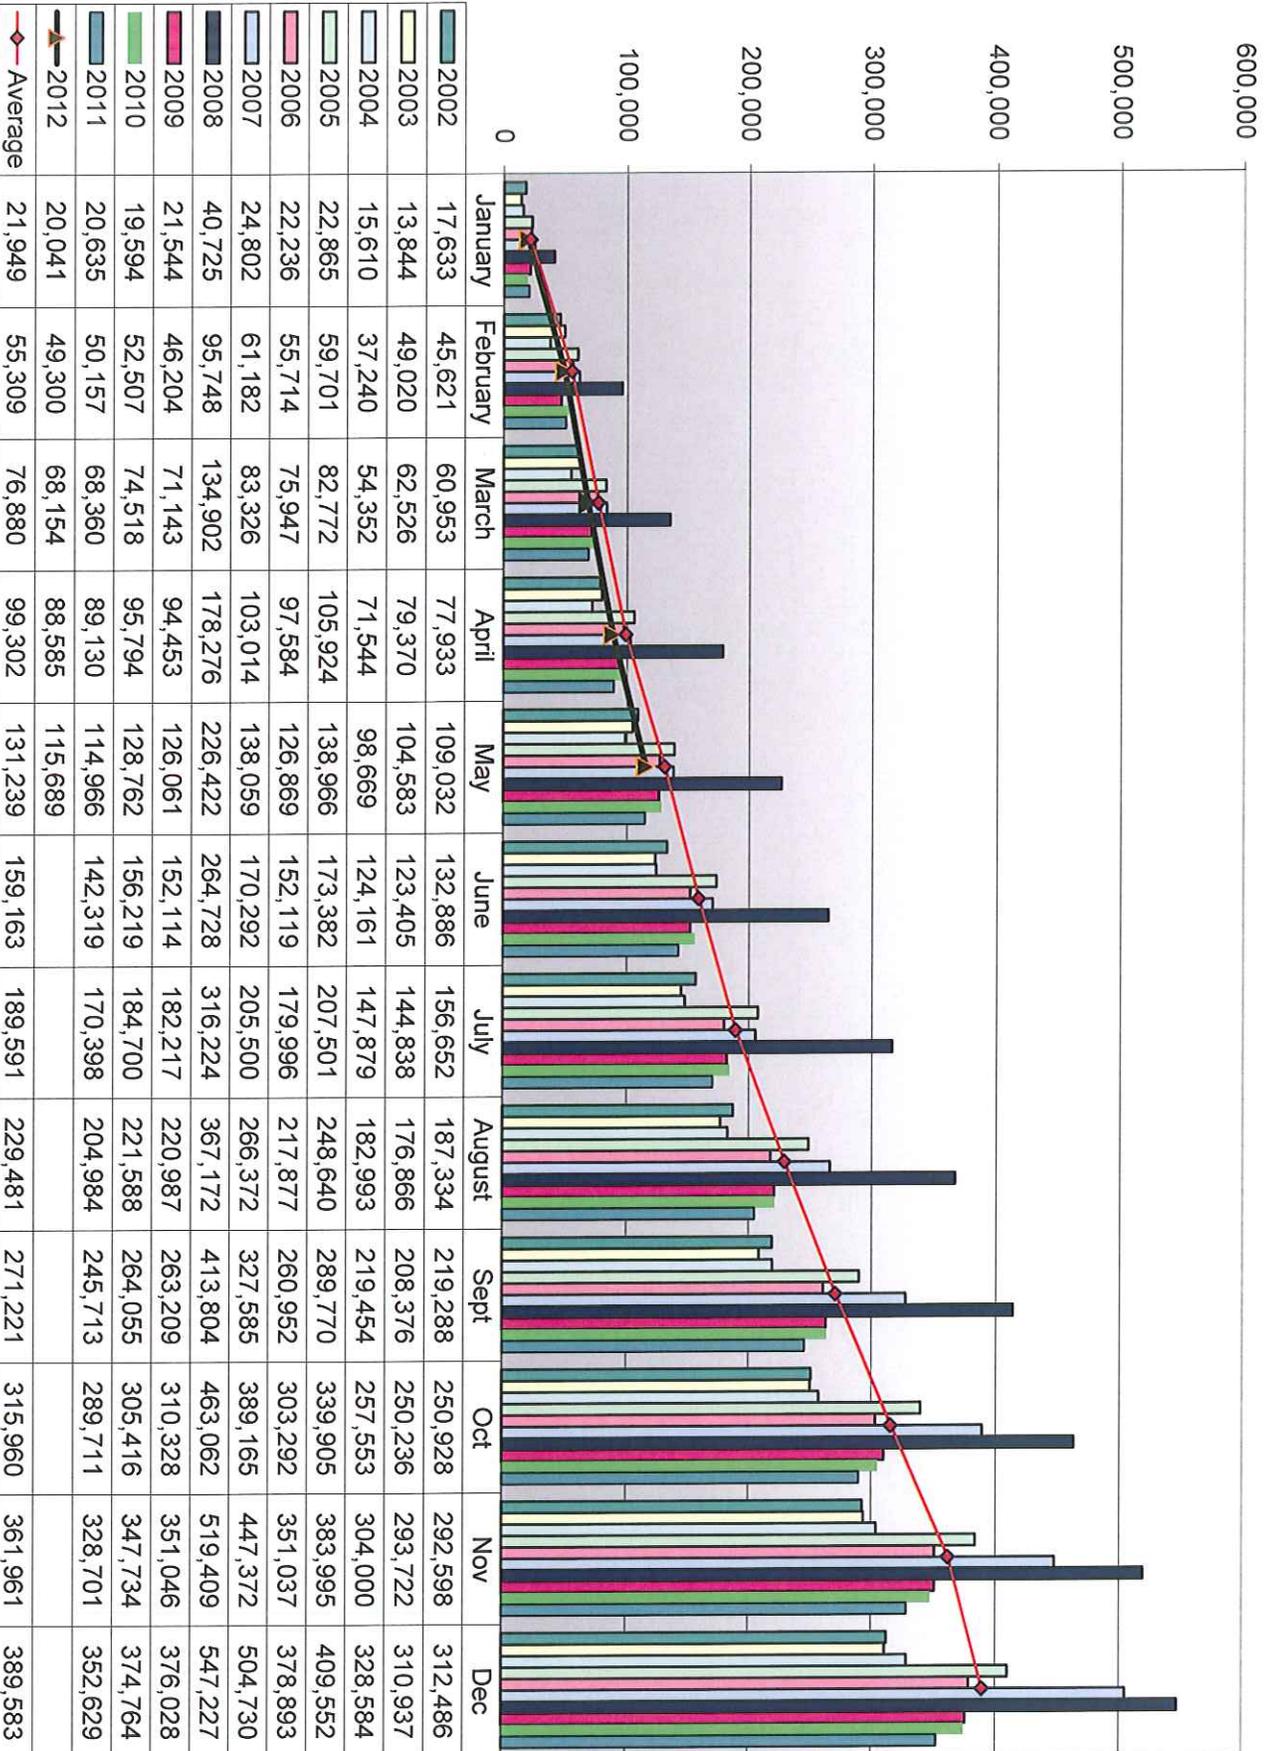

After dinner Irvine came to our room to inform us that a local resident had found my wallet and turned it into the Long Beach police station and a State Trooper would drop it off at the hotel while he was on his rounds. All my ID and money, 5 dollars, was returned, plus a little "gift" from someone.

Our trips to the USA are always rewarded with the warm welcome we receive from every community visited . Looking forward to staying in Long Beach again.

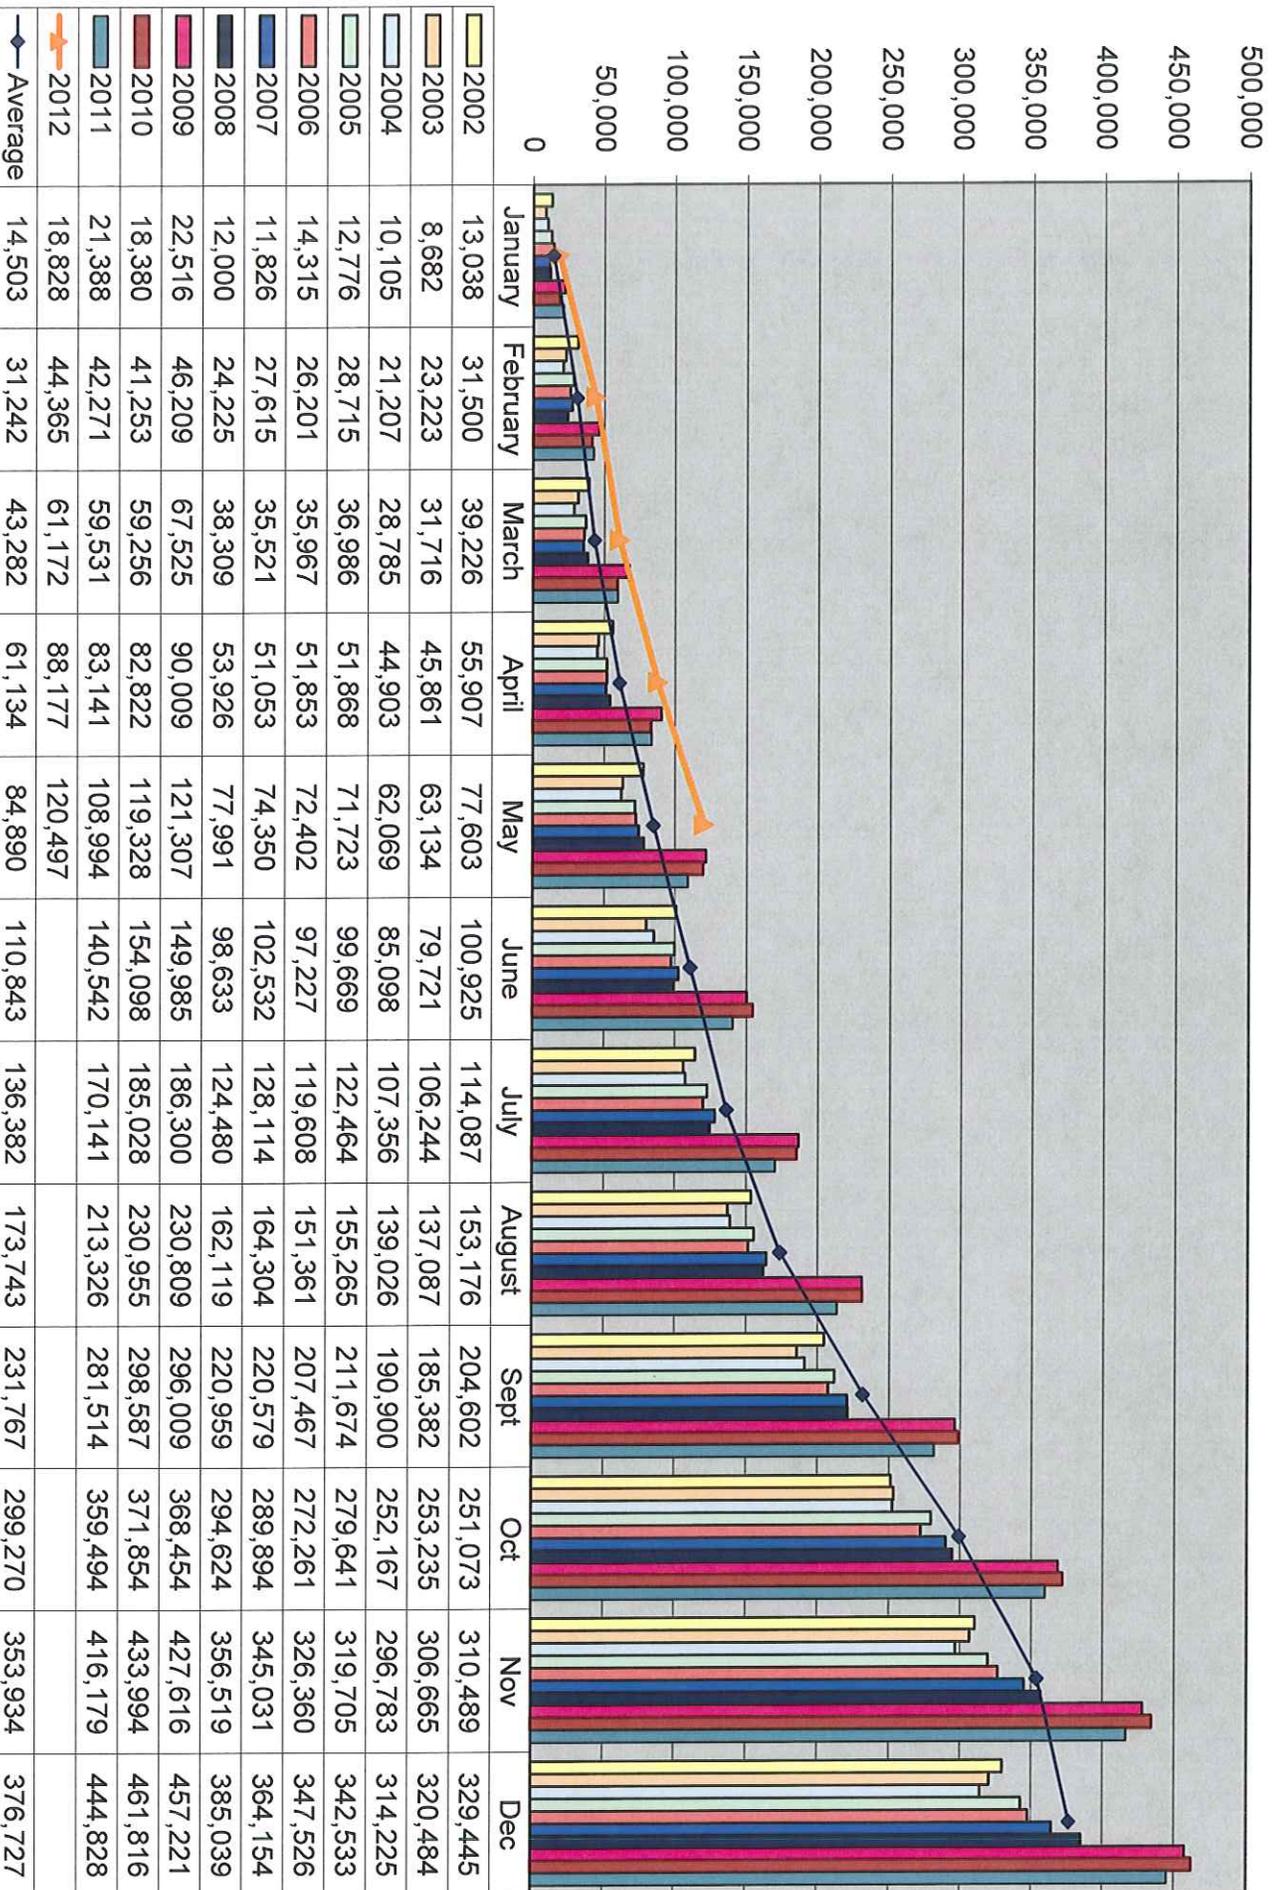

Take care, the Rathbone's

The Honorable Robert Andrew
Mayor of Long Beach
PO Box 310
Long Beach, WA 98631

Dear Mayor Andrew:

Congratulations! The City of Long Beach Wastewater Treatment Plant is receiving the 2011 "Wastewater Treatment Plant Outstanding Performance" award. The Washington State Department of Ecology (Ecology) will issue a news release recognizing the 2011 award recipients that will include the City of Long Beach Wastewater Treatment Plant.

My staff evaluated wastewater treatment plants in Washington for compliance with the effluent limits, monitoring and reporting requirements, spill prevention planning, pretreatment, and overall operational demands of the National Pollutant Discharge Elimination System (NPDES) permit. Of approximately 300 wastewater treatment plants statewide, yours is one of 108 that achieved full compliance with its NPDES permit in 2011.

It takes diligent operators and a strong management team, working effectively together, to achieve this high level of compliance. It's not easy to operate a wastewater treatment plant 24 hours a day, 365 days a year, without violations. Ecology appreciates the extraordinary level of effort your plant operators demonstrated throughout 2011. Talented and proficient operators are critical to successful plant operations and protecting the health of Washington's waters. Your excellent record proves that dedicated operators run the City of Long Beach Wastewater Treatment Plant and their combined efforts lead to outstanding compliance.

Please call Pat Bailey at 360-407-6281 if you have any questions or comments about your award.

Thank you for the excellent service you provide. Congratulations!

Sincerely,

Kelly Susewind, P.E., P.G.
Water Quality Program Manager

On May 1st the department received training from the Pacific County Prosecutors Office on searches incident to an arrest. There have been numerous court rulings recently that have made what was once a simple task very complicated. This training was to get the officers up to speed on what the latest legal issues are regarding searching a suspect or a vehicle. The department also received training on the use of the Taser from the Pacific County Sheriff's Department.

Loyalty Day's weekend went well. The Children's Parade on May 5th had decent weather and a good sized crowd. The Loyalty Day Parade in Long Beach on the 6th had amazing weather and a huge crowd. Other than a couple of lost kids we had no issues connected with the weekend's activities.

Officer Randy Busby attended training on May 15th – 17th. The training he attended was called a "Street Crimes Seminar". Some of the topics that Randy received instruction on were interview tactics, surveillance techniques, current officer safety issues, deadly force encounters, current issues with methamphetamine use and cultivating informants.

Memorial Day Weekend, May 25th – May 28th, was busy for the department. For whatever reason people decided to act up and the officers were busy during both the day and evening shifts.

During Memorial Day weekend the department participated in the state wide seatbelt emphasis patrols. The overtime for these patrols was paid for by the Washington State Traffic Safety Commission. The officers made a lot of stops for various infractions but only wrote one seatbelt ticket.

On Memorial Day I participated in the services held at the Ilwaco Cemetery and at the Black Lake Memorial. The department also provided traffic control at the service at Black Lake. Attendance for the two services was good and I was glad to see several council members in attendance.

Officer Casey Meling assisted with evaluating the Senior projects at Ilwaco High School on May 30th.
