SUMMARY STATEMENT: I would like to bring this to the council at a workshop 30 minute discussion before we render a response to Mr. Baker. I did see him at Dennis Co. yesterday and he asked what the city may be thinking. I told him we would bring it to a work shop with the council so they could ask questions. Thanks for your thoughts and efforts, lets get the information together and talk at a work shop, before we go out of town with ideas. It might help not to muddy the water to much. Bob

Gents, Unless we think something's wrong with the place, why question their motives? I think that plenty of people walked to the old kite museum, only 2 blocks south of there, so I don't think that walking to the building, if we do something worth walking to with it, would be an issue. Not with our ever-so-alluring signage (stupid grin). The new performing art center is just a 1/2 block or so north, and we may start to lure people "north of the light" with another attraction. Please let me think about this and tour the site before we dismiss this out of hand. I'll also call Betsy and see if this gentleman has made the offer to her museum and if not, whether this may be something they would be interested in. I know upkeep is always a concern. Thanks, G

The big question here is where do we get the money to just take care of the property? Second what do you do with it? And so on...why don't they just drop the price to get it to sell...that is my questions...thanks for reading – Gene

It's really a lovely example of the town's early vernacular architecture. I'd love to see us do something with it. They also own the adjacent lot at the SW corner of 4th Street NW/Pacific Highway, which would be good to have for parking or ? Dave, I hate to look greedy, but are they talking about both lots? Thanks, Gayle

Subject: Bernhard House

Mayor,

I talked with Gary Baker this morning about the wishes of Craig Bernhard. The family doesn't use the house since Harvey Bernhard passed away. It was left to Craig, and he lives on the East coast. The family doesn't use it, and Craig wants to get away from the monthly bills. He is willing to donate it to the city as a "Historical Museum". Gary checks on the house monthly, and says that the interior is about the best he has seen for the period it was built. He has offered to let us in and look around.

As far as running it as a museum, he suggested we have the visitor's bureau find us volunteers.
There is no urgency, and the council has time to discuss his proposal.
Merry Christmas,
David

Subject: World Kite Museum Special Use Permit Request

The World Kite Museum requests that the city council grant us a special use permit so that we may sell goods at our events that will promote both the World Kite Museum and the City of Long Beach. We propose to sell small items such as pins, pencils, buttons, stickers, hats, and t-shirts outside the Long Beach Elementary gymnasium during the Windless Kite event January 18-20. This will allow us to defer some of the overhead costs for the event and benefit the city by connecting the event and the museum with the city in the event attendees minds. The museum is a not for profit entity with a 501 (c) 3 standing and as such all revenues generated by the sale of these items will be tax free and used only for the World Kite Museum as operating and events income. Thank you for your consideration in this matter.

Sincerely,

Chelsea Libby
Executive Director, World Kite Museum

On December 1st I, along with Sergeant Kevin Martin, Officers Jeff Cutting and Casey Meling, deputies from the Pacific County Sheriff's Department and a trooper from the Washington State Patrol, participated in a program called "Shop With A Cop". This is an event that is held in communities all across the country. Merchants provide gift cards to a child from a needy home and then an officer takes the child shopping for Christmas. The idea is to give the child a special experience with a police officer. The morning started out with a breakfast donated by the Lost Roo. Each child then had their picture taken with Santa and their officer at the Roo. The children were then given rides in individual patrol vehicles to Dennis Company. A parade of patrol vehicles went down the highway and both beach approaches and the children were allowed to use the sirens all they wanted. Dennis Company had donated \$100 gift cards to the children and each officer helped their assigned child shop for gifts. The amazing thing was that the children made sure they bought gifts for family members before buying for themselves. The whole experience was truly memorable for everyone involved. I have attached a copy of a thank you card from the event organizers and a photo of the kids and the officers.

On the 11th and 12th the department had firearms range training. We had training in night shooting those two days with our duty handguns.

Sergeant Kevin Martin participated in "alcohol compliance checks" in the local area on December 21st. The Pacific County Sheriff's Department provided a deputy as well. Both Kevin and the deputy were assisting Washington State Liquor Control. An underage subject went into 15 different establishments as an agent for liquor control in order to see if alcohol would be sold. Four establishments, including two in Long Beach, sold to the underage buyer. The clerk making the sale was cited and the businesses were also cited by liquor control. More of these checks are going to be made in the future. For information the buyer was only 18 years old and did not look close to 21 years of age. The overtime for this event was paid for by a grant obtained by Well Springs Community Network.

New Years Eve was quiet for the department. We had no real incidents to speak of.

Re: City of Long Beach and City of Ilwaco Municipal Courts

To Whom it May Concern:

I am Michael S. Turner and was duly appointed to the positions of Long Beach Municipal Court Judge and Ilwaco Municipal Court Judge beginning in September 2012.

I have been advised that both the City of Ilwaco and the City of Long Beach intend to enter into interlocal agreements with Pacific County whereby the clerical staff of the Pacific County South District Court will provide clerical and administrative services for the municipal courts. I have been provided a copy of the interlocal agreement between the City of Long Beach and Pacific County.

As Judge for these two municipal courts, I am in agreement with the interlocal agreement and provision of clerical and administrative services for the courts by the Pacific County South District Court. I have discussed this with the South District Court Judge and the South District Court staff and believe this will be efficient and cost effective.

If you have any questions or require additional information, please contact my office at your convenience.

Sincerely,

Michael S. Turner
Municipal Court Judge

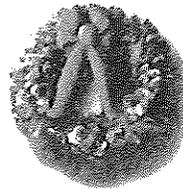

cc: Bob Andrew, Long Beach Mayor
Mike Cassinelli, Ilwaco Mayor
Douglas Goelz, Pacific County South District Court Judge
