Good Morning Gene,

Thought you might enjoy seeing this nice compliment about the Depot. I have also heard comments out in the community about how nice the event was.

Hello Ragan,

As I said in my phone message, the Fall Art Show was incredible at the LB Depot Building and our office space! We absolutely love the venue and may have some thoughts about an additional event there late summer of 2014, but for now I am requesting these dates for 2014 -

April 21 to 28 - Spring Art Show  
October 6 to 13 - Fall Art Show

We really want the Depot to be our home for our art shows...forever! Dates and info for next year are already being requested by media outlets and visitor bureaus we work with and I hope to be able to say we have the venue locked down!

So many people asked us about the building and if it could be rented and how lovely it was and much more. We really worked hard to present the info correctly and keep their enthusiasm. I think it was a great PR move for the building!

I would also like to schedule a meeting with you to talk over next year regarding Long Beach events and our participation. There may some other areas we can help out...Tuesdays and Wednesdays are best for me. Let me know what works for you...another option is a quick meet after the OP Chamber meeting.

I took photos of the photos that were up in the depot before removing them and will be there today if key is available to rehang them (I forgot my "map" of where they went on Monday). We did not have a garbage bag large enough for the big trash can but removed the trash. I mopped the floor before we came in with the art show, there were some coffee spills from a previous use I am guessing. I may give the floor a sweep today if needed.

I have photos of where  
all your pictures hang.  
I will bring it down in  
the next couple days to  
re-hang the work.  
The space was wonderful  
for the show.
