Soils

SMP Map Disclaimer: This map is meant for illustrative purposes only. Data collection is an ongoing process and this information shown should not be considered complete. This map is not intended for regulatory purposes as scale, accuracy and completeness are not adequate to determine regulatory implications at a site specific level. Presence of environmental features and critical areas, as defined in the Growth Management Act, must be verified at the site specific level. This map is intended to provide a generalized overview of the extent and distribution of key environmental features and critical areas throughout the city. This map represents the best available data at the time of publication.

Map Legend

- Ordinary High Water Mark (OHWM)
- 1889 Western Upland Boundary
- Incorporated City of Long Beach
- 1980 S.C.L. Seashore Conservation Line (S.C.L.) / Building Setback Line HLB/City of Long Beach 2014
