RFP Addendum No. 1

August 18, 2015

I. Proposal Submittal Date

REVISED: The date for proposal submittal has been revised to **Friday, September 11 at 2 PM**. All other aspects of proposal submittal remain as described in the RFP.

II. Questions on the RFP and Responses

1. Does the City wish to move forward with the conceptual plans already developed, or do they want to look at other concepts?

At this time, assume the city will move ahead with the single attached concept.

- a. For budgeting purposes, how many concepts should the consultant analyze?

At this time, assume you will analyze the single attached concept. A cost estimate/budget should not be submitted with your proposal. We realize that budgeting time or resource allocation may rely on part on the number of concepts analyzed.

- b. How much engagement with the community regarding the conceptual design does the City anticipate?

A maximum of three (3) public meetings.

2. Has the City preliminarily identified which permits/agency approvals will be required for the structure?

Yes.

3. Does the City anticipate “interveners” in the permitting process?

We are currently unaware of any potential interveners.

4. Does the City intend the consultant to rely on the current tsunami height modeling, ground shaking and subsidence estimates for design?

Yes.

III. Additional RFP Material

1. Attachment A to the RFP is attached to this Addendum.
2. A design concept is attached to this Addendum.
3. The current RFP recipients and their contact information are attached to this Addendum.
