16. On property residentially zoned, or property occupied by a single-family residence or duplex, the parking, storing or allowing to be parked or stored or kept:

- a. Any commercial vehicles, as that term is defined in this section; or
- b. More than four motor vehicles, but not including any recreational vehicles, trailers, unmounted camper or canopy shells, motor homes, or boats over 14 feet in length; provided, it is an affirmative defense to this section for the total to exceed four motor vehicles by the number of licensed drivers who reside at the residence and whose driver's licenses are the same as the residence; or
- c. A total of not more than three combined number of recreational vehicles, motor homes, trailers, unmounted camper or canopy shells, boats over 14 feet in length; and further provided, that subsections (B)(16)(a) through (c) of this section are subject to the following:
 - i. One commercial vehicle up to 16,500 pounds gross vehicle weight may be parked on property residentially zoned or property occupied by a single-family residence or duplex; and
 - ii. Any number of the total allowed may be parked, stored, or located upon a designated driveway as defined in this subsection; and
 - iii. A total of not more than two of the total allowed may be parked, stored, or located anywhere else on the property within the side or rear yards, subject to requirements of the zoning, building, and fire codes; and
 - iv. A total of not more than two of the total allowed, and only if they are motor vehicles (not including recreational vehicles, motor homes, trailers, unmounted camper or canopy shells, boats over 14 feet in length), may be parked on private property adjacent to and within 20 feet of the right-of-way so long as:
 - (A) The area is surfaced by asphalt, concrete, gravel or similar material; and
 - (B) The parking area is immediately accessible to the traveled portion of the roadway without intervening sidewalk; and
 - v. Any vehicle, recreational vehicle, trailer, boat, camper, or motor home must be currently licensed and in operable condition;

d. This subsection does not apply to the following:

i. Any vehicle, including recreational vehicles, motor vehicles, trailers, camper shells, or boats, when they are kept or located in or under any lawfully permitted and constructed building;

ii. Temporary parking for a duration not to exceed 12 hours, for example, for temporary repairs, cleaning, or guests, excluding temporary parking of commercial vehicles except as otherwise provided in this section;

iii. Any property or situation where a development regulation applies. For example, the limitation on number of vehicles would not apply at an apartment constructed pursuant to an approved building plan and permit with approved parking plans. For further example, parking would not be allowed in an approved landscaped area;

iv. To allow parking in or on the right-of-way, city-owned property, or fire lanes;

v. To allow the parking of any junk vehicles;

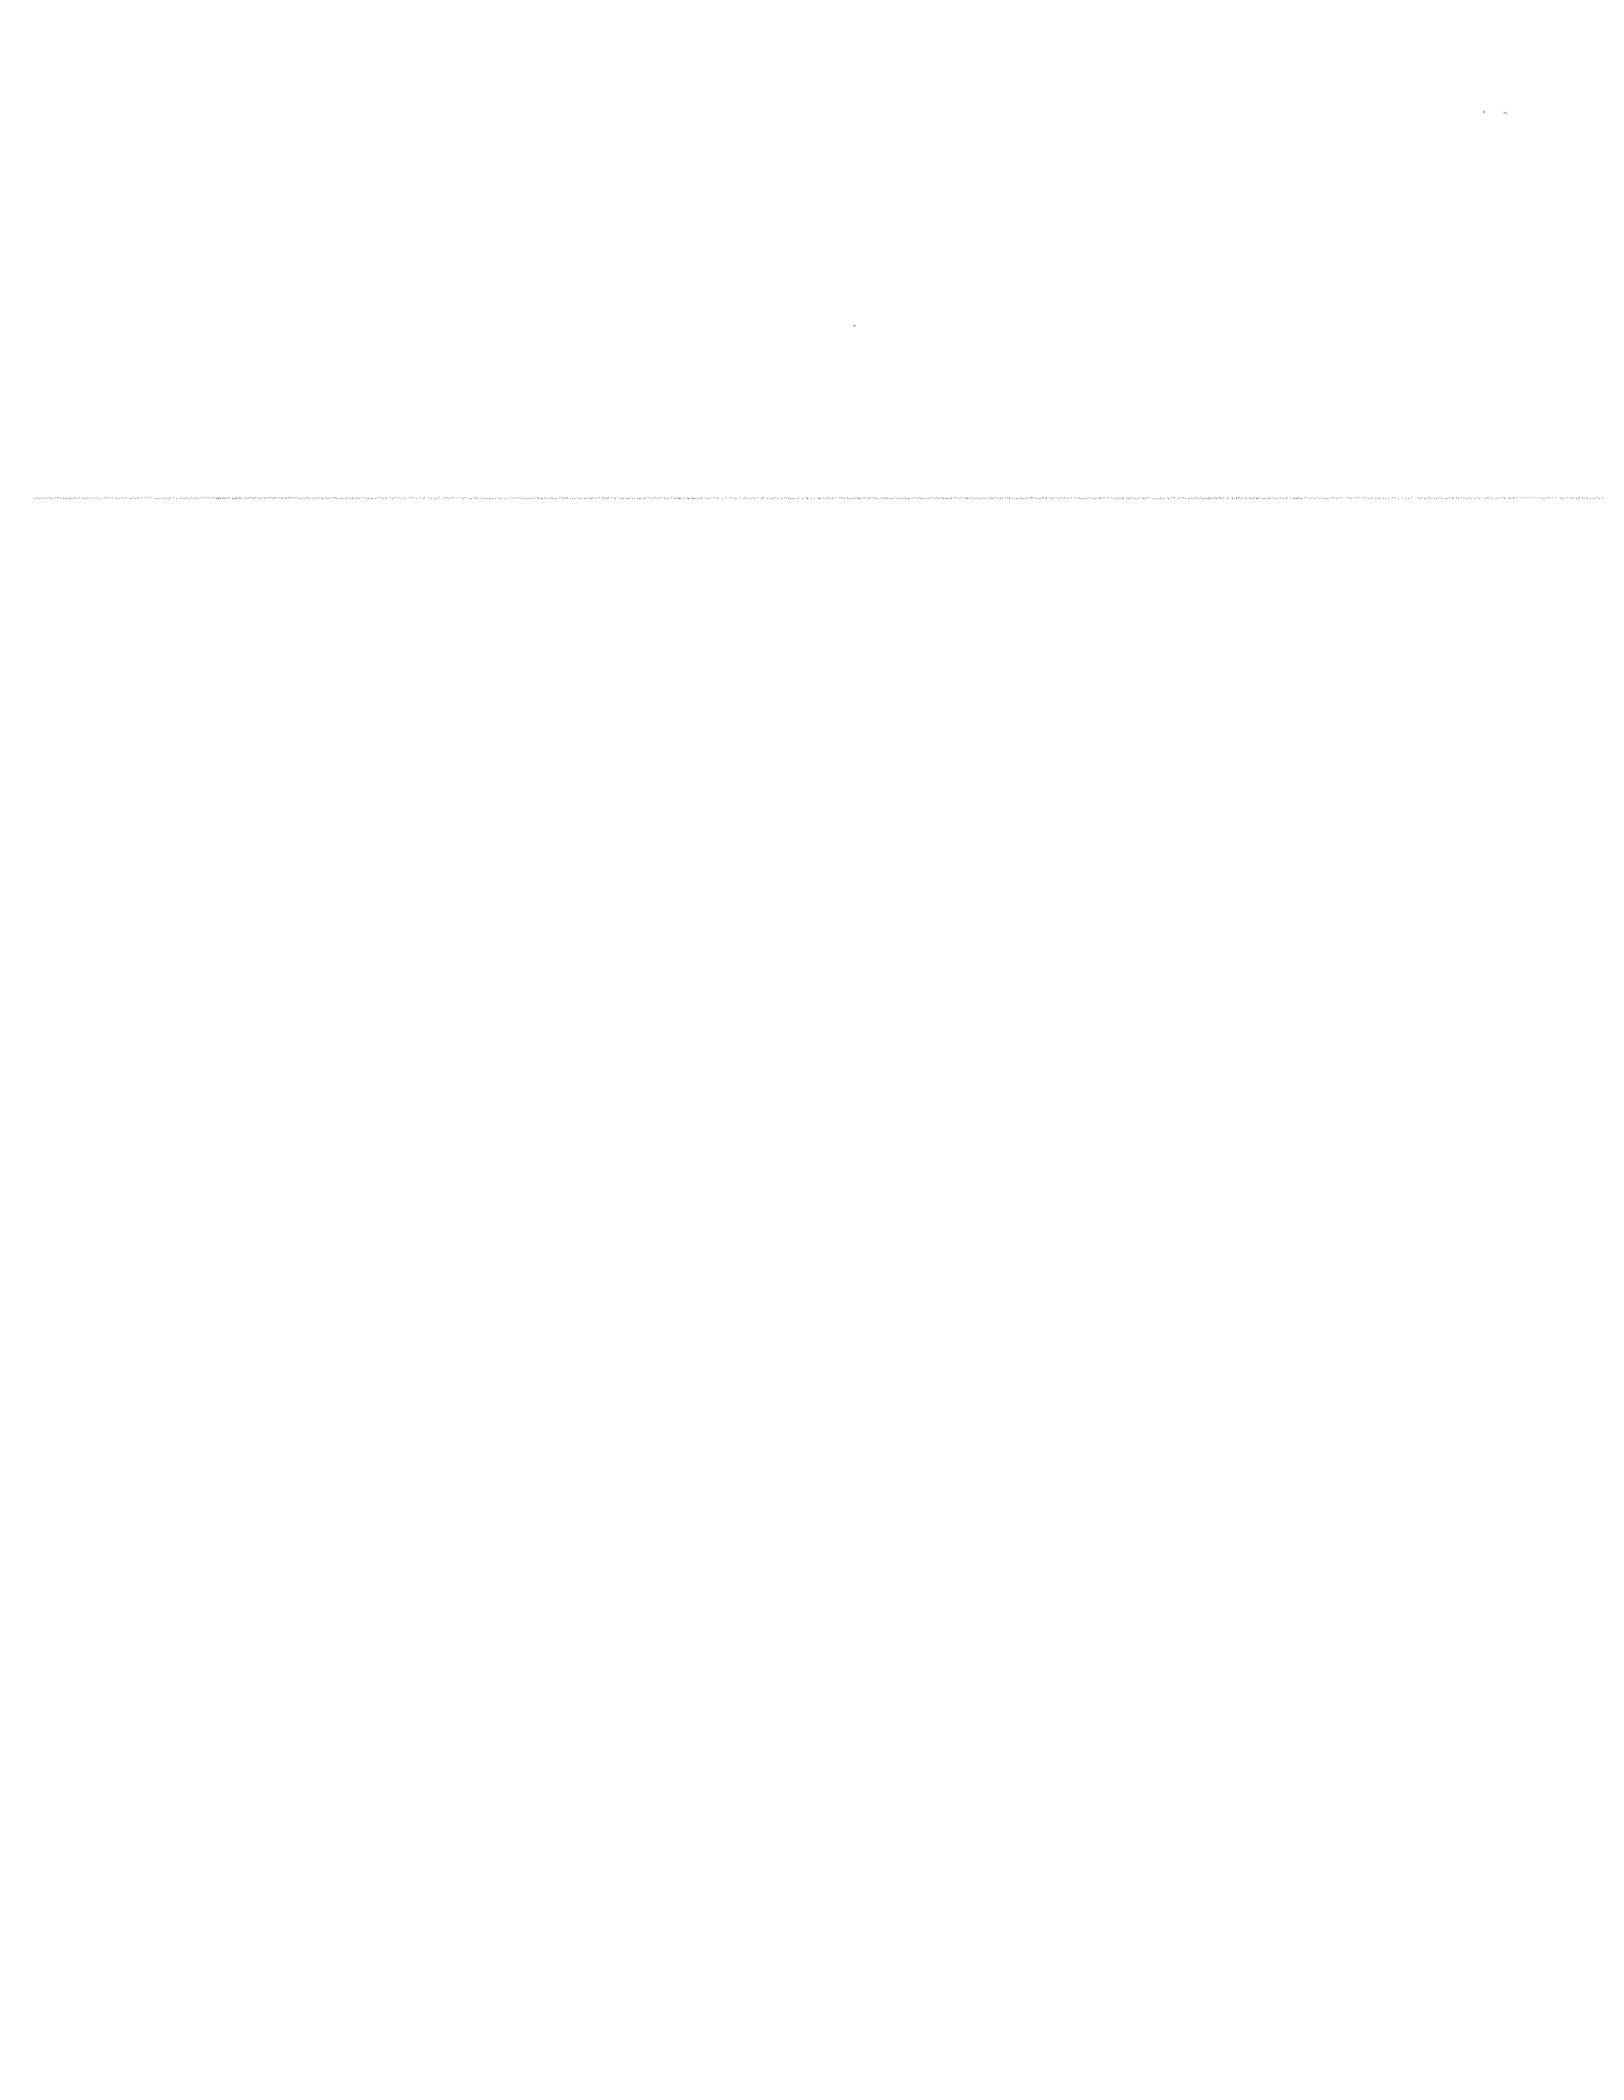

vi. Parking of motorcycles is exempt from this section;

e. "Designated driveway" means the clearly defined roadway leading from the street which is surfaced by asphalt, concrete, gravel or similar material not to exceed 24 feet in width, or otherwise as shown on city-approved building or site plans approved by the public works department. Where there is curb and gutter at the street, the driveway must have an approved curb cut. Where a property has more than one driveway, the vehicles may only be parked in one driveway in the area between the front of the residence or principal structure and the lot front line;

f. "Vehicle" or "motor vehicle" means a currently licensed motorized or nonmotorized conveyance that includes, but is not limited to, an automobile, car, truck, trailer, camper, motorcycle, or watercraft, in operable condition;

g. "Recreational vehicle" means a currently licensed motorized or nonmotorized conveyance that includes, but is not limited to, motor homes, travel trailers, folding tent trailers, truck campers removed from a truck or pickup, horse trailers, boat trailers with or without boats, utility trailers, and similar vehicles;

h. "Commercial vehicle" means any motor vehicle the principal use of which is the transportation of commodities, merchandise, produce, freight, vehicles, animals, passengers for hire, or which is used primarily in construction or farming, including but not limited to bulldozers, backhoes, tractors and cranes. Parking of commercial vehicles on property residentially zoned, or property occupied by a single-family residence or duplex, shall constitute a nuisance and is prohibited. It shall be a defense to a violation of this section that during the entire time that the commercial vehicle was parked in the residential neighborhood, the operator of the vehicle was actively engaged in making a delivery or providing services to residents in the immediate vicinity of where the vehicle was parked;

LONG BEACH CITY COUNCIL MEETING

March 20, 2017

6:30 COUNCIL WORSHOP

WS 17-07 Transportation Benefit District

7:00 CALL TO ORDER; PLEDGE OF ALLEGIANCE; ROLL CALL

Mayor Phillips called the meeting to order and asked for the Pledge of Allegiance and roll call.

ROLL CALL

David Glasson, City Administrator, called roll with C. Linhart, C. Hanson, C. Murry, C. Kemmer, and C. McGuire all present.

PUBLIC COMMENT

Jim Elmer made a comment about a garbage problem.

CONSENT AGENDA

Minutes, March 6, 2017 City Council Meeting

Payment Approval List for Warrant Registers 56924-56956 & 81234-81324 for \$217,531.86

C. Linhart made the motion to approve the Consent Agenda. C. Hanson seconded the motion. 5 Ayes, motion passed.

BUSINESS

AB 17-18- Hearing Examiner Contract Amendment

Ariel Smith, Community Development Director, presented the Agenda Bill. Over the past 12 years Jan Hedges has been the City of Long Beach's Hearing Examiner and his pricing has never increased. We are proposing a slight increase to Jan's payment schedule based on experience, inflation and his commitment to the City of Long Beach.

C. Linhart made the motion to authorize the Mayor to execute the agreement between the City of Long Beach and Jan Hedges for Hearing Examiner Services. C. Kemmer seconded the motion. 4 Ayes, 1 Nay, motion passed.

AB 17-19- Ordinance 935 Planning Commission Administration and Enforcement

Ariel Smith, Community Development Director, presented the Agenda Bill. The Planning Commission and staff have agreed that moving the regular monthly meeting to 6 pm instead of 7 pm would better suit the needs of all parties involved.

C. Hanson made the motion to authorize the Mayor to execute Ordinance 935 amending the time for the regularly scheduled Planning Commission meetings from 7 pm to 6 pm. C. Linhart seconded the motion. 5 Ayes, motion passed.

AB 17-20- Ordinance 934- Amending Fee Schedule

David Glasson, City Administrator, presented the Agenda Bill. The city has some miscellaneous fees that haven't been updated in twenty years. The new fees more accurately reflect the cost of providing services.

C. Linhart made the motion to Adopt Ordinance 934 with the following correction: Section 1A- Checks returned to the city because of insufficient funds shall be charged an additional \$25 instead of the proposed \$50. C. Hanson seconded the motion. 4 Ayes, 1 Nay, motion passed.

AB 17-21- His Supper Table Vacation Request

David Glasson, City Administrator, presented the Agenda Bill. His Supper Table is attempting to design a new building and has a potential issue with the building size and meeting parking requirements. A possible solution would be a street vacation. They are just trying to gauge the interest of the council in the proposed vacation. If the council isn't interested, they will design a smaller building.

AB 17-22- DNR Agreement for Fire Department Reimbursement

David Glasson, City Administrator, presented the Agenda Bill. This agreement allows the city to be reimbursed for fire mobilization costs when called upon by the state and allows us to receive federal surplus property.

C. Hanson made the motion to approve and authorize the Administrator to sign the DNR Agreement. C. Linhart seconded the motion. 5 Ayes, motion passed.

<p>RECOMMENDED ACTION: <i>Authorize the Mayor to enter into the Interlocal Agreement with the City of Ilwaco for loan repayment.</i></p>		

INTERLOCAL AGREEMENT FOR FEASIBILITY STUDY

REGIONAL BIOSOLIDS TREATMENT AND DISPOSAL FACILITY

This Agreement, made and entered into this ____ day of _____, 2017, between the City of Ilwaco, a municipal corporation of the State of Washington, and the City of Long Beach, a municipal corporation of the State of Washington.

RECITALS

WHEREAS, by authority granted in RCW 39.34.010, units of local government may enter into agreements with other units of local government for the performance of any or all functions and activities that a party to the agreement, its officers or agents have the authority to perform, and

WHEREAS, Ilwaco and Long Beach desire to conduct a feasibility study on constructing a regional biosolids treatment and disposal facility, as both cities have been informed the Washington Department of Ecology that their current applications of biosolids will no longer be permitted by the winter of 2018-2019, and

WHEREAS the City of Long Beach is hiring Gray & Osborne, Inc. to conduct the study and the City of Ilwaco has agreed to share equally in the cost of the Gray & Osborne contract.

NOW, THEREFORE, IT IS AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

I. OBLIGATIONS OF LONG BEACH

1. Administer the Gray & Osborne, Inc. contract.
2. Cooperate with Gray & Osborne, Inc to facilitate the study, and provide documentation and access to facilities as necessary.
3. Invoice Ilwaco annually on or about June 15 for 50% of the loan payment due to Department of Ecology for the loan it made to pay Gray & Osborne, Inc.
4. Provide Ilwaco with copies of all written documents and reports generated by Gray & Osborne, Inc as part of the study.
5. Obtain the consent of Ilwaco before approving any amendment to the executed Gray & Osborne, Inc. contract.

II. OBLIGATIONS OF ILWACO

1. Cooperate with Gray & Osborne, Inc to facilitate the study, and provide documentation and access to facilities as necessary.
2. Reimburse the City of Long Beach annually for 50% of the loan payments due Department of Ecology for the engineering costs, upon receipt of an annual invoice from Long Beach.

III. TERM

The term of this agreement reflects the life of the loan, which is 20 years.

SUBJECT: Special Use Permit SUP 2017-03	<i>Originator:</i>	
	Mayor	
	City Council	
	City Administrator	
	City Attorney	
	City Clerk	
	City Engineer	
	Community Development Director	AS
	Fire Chief	
	Police Chief	
	Streets/Parks/Drainage Supervisor	
	COST: N/A	Water/Wastewater Supervisor
	Other:	

SUMMARY STATEMENT: *Approve SUP 2017-03 for Back County Horse Rides to operate the wagon or carriage in city limits, pursuant to Section 12-11-14 of the Long Beach City Code, which states as follows:*

SPECIAL USE PERMIT: *For events, uses, and other activities not specifically addressed by this title, an applicant may apply to the city council for a special use permit. The issuance of a special use permit is at the discretion of the city council. The city council may impose such conditions as are deemed necessary to mitigate impacts including, but not limited to, noise, lighting, traffic and hours of operation. A special use permit shall not be used to permanently permit a use that would otherwise be prohibited by the zone district in which the property is situated. A special use permit shall have an expiration date that is no more than one (1) year after the approval date. Upon application, the city council may grant a single extension of a special use permit.*

Outdoor vending not otherwise allowed may be permitted on a case-by-case basis by a special use permit. In this case, the request is by a stable Long Beach business and will be providing a service that is relied upon by returning tourists.

Back County Horse Rides wishes to operate the horse wagon and/or carriage within Long Beach City Limits. Due to different funding allocations the wagon was not included in the 2017 SummerFest budget. Back County would like to continue the horse rides and are requesting a special use permit to charge patrons for the rides. They would still be required to clean-up after the horses, provide insurance and uphold all other City requirements.

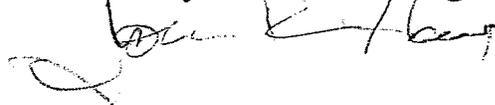

RECOMMENDED ACTION: *Conditionally Approve SUP 2017-03 with the conditions identified by staff.*

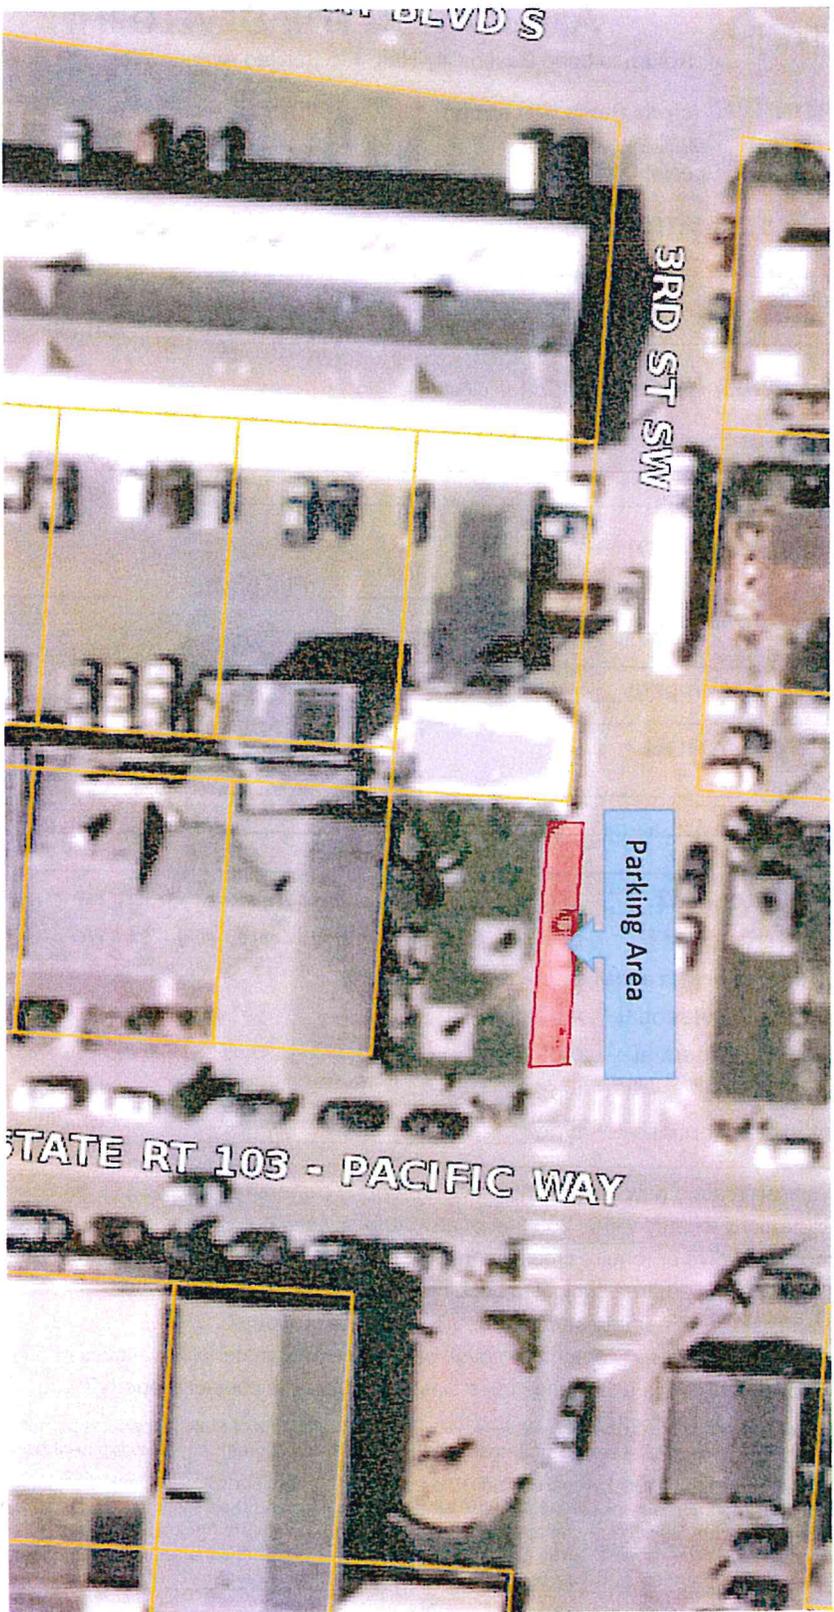

I am writing this letter to the City Of Long Beach to request your consideration for a " Special Use Permit" allowing Back Country to operate the wagon or the white carriage in the city limits. As per our meeting with David and Ragan, we understand that the funds normally allocated for the wagon in the " Summerfest" program, have been allocated elsewhere. In an effort to maintain the wagons presence in the downtown corridor, we have agreed to continue operating, by charging the customers directly and recieving no compensation from The City. We would operate during hours and on days that we choose.

We have satisfied the insurance requirement, have a slow moving vehicle triangle on the rear of the wagon and have added electric turn signals. We would request the use of the two parking spaces adjacent to the "LBT", where the sign, placed by the City designates these spaces for the wagon on Saturday and Sunday from Memorial Day to Labor Day. We would request that this sign be replaced by a sign reserving these spaces for the wagon or carriage and would agree to bag the sign whenever we were not using the spaces. We ask to be allowed to maintain a small table and chair for a second person to book rides and have waivers signed. We anticipate a severe drop in participation once we start charging for the rides and do not believe we will create a pedestrian traffic problem on the sidewalk. This particular sidewalk is little used and should be no problem. I was told we could use the Cities sign frame and we will do so.

I think I've covered everything and would appreciate your consideration on this matter.

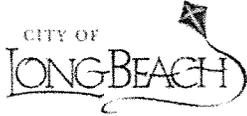

Sincerely John R Haug

Subject: Re: Question from Not a Ban Committee

Thank you for responding to me. We are disappointed in your answer, especially because of you telling Vicki in January that you were open to a meeting of all the jurisdictions. This is in addition to Mayor Phillips telling several of our committee members at the last Town Hall that he was receptive to a reduction in discharge days.

We heard loud and clear in our survey comments, and in comments during our several Town Halls, that residents felt their neighborhoods were under siege. They told us that the fireworks went on for too many days, producing negative impacts to, for example, animals, those with PTSD, structures, and to those trying to sleep. We shared the pages of raw survey comment data with all jurisdictions. The majority did not want a ban; they want a reduction in days.

Last year we focused on a "Beach Friendly Fourth" and promised to work on a "Neighborhood Friendly Fourth" for 2017.

In our conversations with the County Commissioners, we agreed that if there was a change, it had to affect the whole Peninsula or it would be impossible to manage. They told us they were willing to meet on the subject only if Long Beach was receptive. Your answer effectively stops our legislative effort on behalf of the residents for this year. Due to the laws governing fireworks, and how close we are getting to the passage date for a 2018 change, it looks like there can be no change until 2019.

We had hoped, at a minimum, to eliminate lawful discharge on July 5th as it is counterintuitive to have hundreds of people volunteering to clean up the beach while fireworks are still allowed. We had hoped that opportunities for public involvement would reveal the desires of the residents, which may or may not be what we think they are. That is why a public process is so important. We had pledged to help the Commissioners with public meetings, and to publicize how to comment, so we could get the largest response possible. We were hoping for a true cross section of opinions. The first step to this would have been an initial meeting with all the stakeholders to discuss the issue.

We will look for continued opportunities to discover the majority opinion of Peninsula residents concerning lawful fireworks discharge. The vast majority of Washington State residents are living in a jurisdiction that either has totally banned fireworks or has limited the discharge to 1-3 days. Only 16% live in an area that is still using the State standards.

Good afternoon Dave and Mayor Phillips. You met with Vicki Vannerman of our committee in January concerning our desire to open a discussion about reducing the days of legal fireworks discharge. Vicki reported to us that while there was no consensus on the Council for a change to the status quo, you felt that a meeting between all the stakeholders would be appropriate.

I am writing to ask you if you are still willing to sit down with all the stakeholders and have a discussion about this. I would be glad to come to City Hall Friday or Monday to discuss with you.

Thanks,

Magen Michaud

March 12, 2017

Mayor Phillips and Council,

Thank you for your consideration of funding for production of a souvenir "geocoin" for distribution to this year's participants in my annual geocaching event held here in September.

I relocated to Long Beach from the Bellingham area in 2014, having held these annual geocaching event weekends since 2004 in my previous home area and started holding them on the Long Beach peninsula September 2015, the weekend after Rod Run.

The first event that I held locally, in 2015, was entirely done on my own without financial assistance from any public entity. I charge a \$12.00 registration fee, which helps to offset my out of pocket expenses for the event -- geocaching containers and logbooks, printing, coffee, snacks and swag at check-in, vinyl banners and other promotional costs, prizes, paid help to assist me with placing the cache containers, website hosting, ongoing replacements and maintenance for the containers that go missing, etc. That first year I placed 100 geocaches between Oysterville and Radar Ridge as a way to create a big buzz about an event that was being held a long distance from almost any geocachers. One aspect of geocaching is the number of unique geocaches a player has found, so the prospect of adding 100 new finds to their online scoresheet was an appealing draw. That first event here brought about 200 players to the peninsula for a weekend event that ran from Friday evening - midday Sunday. All but perhaps 10 of those individuals traveled a considerable distance and stayed two nights here to participate in the event.

The success of that first year's event, combined with the added bonus of an elaborate and appealing collectible souvenir "geocoin" to those who attended the 2016 event and found another 40 new geocaches that I placed for last year's event brought a much larger crowd to town for the event than the previous year. I had about 325 registered participants for the September 2016 event, along with an estimated additional 75 or so who chose to come and play without paying the registration fee. Again, all but about ten participants were from out of town and stayed two nights to participate in the activities that ran from Friday evening until Sunday afternoon. Last year's participants were primarily from WA and OR (about 60% of the total), about 30% from BC Canada, and the remainder from ID, CA, and AZ.

The geocoin that was produced for the 2016 event was a good part of the reason for the large increase in attendance over 2015. It was funded by the LBMA, Port of Peninsula, and Ohana Media Group as a sort of bridge funding as it was too late to apply for LTAC funds for the 2016 event. There were 300 coins produced at a unit cost of \$13.16 (total \$3,950.00) which included design fees, production, shipping and tax. Due to the cost per coin, we limited distribution to one per couple, team or family rather than giving one to each individual. After the end of the weekend, there were approximately 60 coins remaining. Those remaining coins were delivered to the Visitor Information Bureau, and they have been distributing them to geocachers who have come to the peninsula on their own since the event to find the 40 geocaches and claim one of the coins. I believe about 30 were claimed this winter, and I'm sure now that spring is around the corner the rest will be gone fairly soon.

My request for funding for this year's event, again to be used exclusively for the souvenir coins to be distributed at the event, is \$2,500.00, which will allow the purchase of about 375 coins at an estimated unit price of about \$6.50. My initial plans for this year's event were for a geocaching tour highlighting the Clamshell Railroad, with another fairly elaborate geocoin set featuring a cast small-scale replica of

Hi Ragan, AKA a Peninsula Treasure!

Thank you for the very informative meeting this morning on using the trolley for the garden tour.

I appreciate your attention to detail, depth of experience with the trolley, promotion experience and ideas, being well-versed in Peninsula events and all-round deep Peninsula knowledge.

It is exciting to be able to consider using the trolley for our tour and the added joy it could bring to the riders. I will quickly pull together the garden addresses, consult with my co-chair Darlene Houser and get back to you as soon as I can.

With gratitude,

Nancy Allen

Greetings Local & Regional Authors,

We are delighted that you have expressed a desire to join the Pacific Northwest Authors Showcase on Saturday, October 7th, 2017, from 11:00 am to 4:00 pm at the Long Beach Elks Lodge #1937 in Long Beach, WA. The lodge is located at 110 Pacific Avenue North. The event will feature YOU, local and regional authors of the Columbia-Pacific Region.

You may secure room reservations at the Best Western Long Beach Inn for your overnight stay. The property is providing rooms at a discounted rate for authors when you register with the hashtag #PNWAuthorsShowcase. Following the show, there will be a VIP (hotel guests only) wine and cheese reception featuring WASHINGTON State wine and cheeses from 5:00 – 6:00 pm. Tickets will be given to you the day of the event. The hotel is located at 500 Ocean Beach Boulevard South.

A four-foot conference table and two chairs will be provided to display your books. Doors open at 10:00 am for set up, and you will have one hour to set up your table before the doors open to the public. You will have five hours to sell your publications and network with other authors. Please note that the sponsors are not taking a portion of the funds you raise. We are charging a small \$15 fee to cover the cost of the room rental. All we are asking for is your time, for you to promote the show to your fans and followers, and to enjoy this event! Please arrive approximately one hour prior to the event opening. You will have one hour after the show closes to clean up your area. The room will be closed at 5:00 pm.

Attached you will find a registration form. Please fill out the form and return it with a \$15 check made payable to the City of Long Beach. Mail to:

AAR for Oregon Festivals & Events Conference 2017

Seaside, Oregon Convention Center

March 6th – 8th, 2017

Below are the Session Descriptions and notes for the classes that I attended during the conference. I took away some great resources for our community and hope that this information may be helpful to other festival and event producers and chairpersons. There were 3 sessions per timeslot, however I was only able to pick one class to attend. These are the classes that I thought were important to my work and possibly helpful to others.

Pre Conference: Integrating video and live video into your events social marketing (8:30-11:15 a.m.)

Dan Kinney

In this exciting session, Dan Kinney from Full Bloom Digital, will provide you with all the knowledge and know how to integrate live streaming video into your event's social marketing plan. He will cover the latest tools for capturing great video and how to integrate those videos into your social media marketing plan.

Pre Conference: Online Resources to Improve Your Marketing & Your Life (8:30-11:15 a.m.)

Cassie Roberts

In this fast-paced session, Cassie Roberts of Saffire, will take you on a whirlwind tour of the latest and greatest online, smart phone and tablet tools and apps to help increase your efficiency, get control of your email, improve your communication and just have a better life! She will specifically discuss tools for marketing more effectively and wow your web site visitors while saving your sanity. Get ready for a pick-me-up, with lots of ideas you can implement easily and immediately!

Keynote: Seven Seconds that Change Your Life: Finding your Greatness (1:30-2:45 p.m.)

Allison Clarke

Can you step out from behind your emails, tweets and texts and deliver a face-to-face, short, compelling message with passion and clarity? We know that first impressions are made in the blink of an eye. The ability to capture and keep individual's and groups' attention will ensure you gain more buy in, generate better results, and forge stronger relationships with everyone you encounter. In this highly customizable session, topics include:

- Increase your confidence in delivering your message.
- Be more aware of what your body language is saying and manage it.
- Learn how to maximize your human side for accelerated business results.
- Listen to connect and build trust.
- Retain and inspire your volunteers.

World-Class Leaders (1:30-2:45 p.m.)

Allison Clarke

World-class leaders know how to activate and *reach* their full potential, as well as inspire others to do the same. Their impact and legacies outlive them. When you encourage others *humanely* and

A regional band is a band that lives in the area but treats it like a business.

I have reached out to Steve with Rose Festival and have requested his slide show presentation as it has samples of templates for working with groups, bands, entertainment, as well as a list of entertainers that entertain for FREE in the Portland area. These entities might come to the peninsula for a fee, but at least we have the resources.

Notes from this class:

Brand: Main Stage at Veterans Field, Gazebo Park Stage, High School Bands first couple of weeks before school gets out.

Slips, Trips, Falls – “Waiver of Liability” 1st Layer of protection.

Get schedule to newspaper, free section, paid section, Astoria Coast weekend. Asking for a set list is the best way to avoid any unwanted issues. It is ok to ask for a set list. SummerFest Mission Statement. To provide Free family entertainment and activities to our residents and visitors.

How do you set yourself apart from the rest?

Who we want to be?

Who does this well?

What can we change to make the stage area a draw?

Consider outsourcing the music to someone that knows their industry. Example Tony Keylargo or Ezra in Portland. Use an established booking agent?

Hire Chris from Showdown for 2018. Booked for 2017 in full now. Liked all showcases: Showdown, Gabriel Cox, Nash Brothers, Journey Tribute Band, and the other brothers.

Keynote: What Oregon Tourism Trends Mean For Your Events (10:30-11:45 a.m.)

Todd Davidson

How do national, international and state tourism trends affect your Oregon event? Travel Oregon’s CEO, Todd Davidson, will provide trend perspective helping to guide and shape your event, supporting Oregon’s travel and tourism industry and welcoming visitors to our great state

When Good Events Go Bad (2:00-3:15 p.m.)

Kim Lyddane

Anyone in the events business knows that no matter how much planning and preparation, the unthinkable can still happen. It’s okay! We have all been there. What really matters is how you deal with the issue, manage the outcomes, and prepare for the future. In this session hear stories from event staff who have seen it all. They will share their experiences with the unthinkable and how it has shaped their process. Be sure to bring your best story as there is time for others to share. Let’s all learn from one another’s experiences so that we can move forward together!

Event Fundamentals (3:30-4:45 p.m.)

Kassia Delabough

Ideal for folks entering the event planning field, this fast-paced session will cover the fundamentals of a great event. Discuss some of the main areas of event planning from venue selection, food and beverage, AV options, risk management, and coordination skills. Kassia will

Kathie,

Here is the weekend's entertainment from Memorial Day through Labor Day. I know there are a couple of days you will not be available. I wanted you to have the full schedule and then we can break it down by weekend for supplies and entertainment contacts. I would like to get together with you a couple of weeks prior to go over the stuff on the stage and any questions or concerns you may have. I will have all checks and contracts ready in the office on Friday's for you to pick up. I will assign you a set of keys for the stage so that you can open and close the stage as needed. I will also make sure that any supplies you need, we have ready for each weekend.

May 27th, 28th & 29th Memorial Day weekend – Summer Fun Kick Off!

Join us **Saturday** for live music on the Main Stage at Veterans Field with Tropical Storm, a Jimmy Buffet Tribute band from 1:00 – 4:00pm.
